

# THIS COULD HAPPEN TO YOU!

This is what war really looks like! This can happen to you whether you were deceived into believing Iraq was an imminent WMD threat or not; whether you were deceived into believing Iraq was responsible for 9/11 or not. Even if you don't get killed, you can be shot, stabbed, dismembered, burned, blinded, disfigured, or blown to pieces. Or you may get kidnapped, tortured, raped and beheaded. Either way, you can be **SURE** that you will get to see scenes like these first hand as your sheltered life comes to an end. **ARE YOU READY?**

## ***Did you know...***

- **The Bush administration has begun filling 10,350 local draft board positions and 11,070 appeals board posts and has appropriated \$28 million to bring the Selective Service System up to speed by June 15, 2005!**
- **Tens of thousands of soldiers whose tours are over are being FORCED by the Bush administration to stay in the military and to remain on active duty in Iraq!**
- **The Bush administration is actually THREATENING reservists and guardsmen with sending them to Iraq if they don't reenlist!**
- **Facing escalating casualties, guerrilla attacks, and N.I.C. warnings of all-out civil war, U.S. military commanders are calling for more troops, describing the shortage of manpower in the armed forces as having reached "A STATE OF CRITICAL MASS!"**
- **House bill H.R. 163 and Senate bill S. 89 are NOW PENDING and call to renew the draft!**
- **George W. Bush has MASSIVELY miscalculated the cost and consequences of invading Iraq. He has no exit strategy and his arrogant, "bring it on," go-it-alone policy is creating millions of new fanatical enemies that YOU will have to fight. Only a change of administration will save you from this insane, ignorant, and disastrous policy.**

**ALL 18 to 26 year olds will be subject to the DRAFT!**

**This time, there will be NO STUDENT DEFERMENTS!**

**This time, WOMEN WILL BE DRAFTED!**

# **SAVE YOURSELF - DEFEAT BUSH!**
